A New Yorker's Guide to RANKED CHOICE VOTING*

DREAM VOTES

EARLY VOTING
JUNE 14–22

ELECTION DAY
JUNE 24

The Democratic mayoral primary election is here—and this time, it's **ranked choice voting**. That means you don't just pick one person—you can rank up to five candidates in order of preference. If your #1 doesn't have enough support to win, your vote moves to your next choice.

But be careful. Ranking a candidate means voting for them. Don't rank someone you absolutely don't want in office, like disgraced ex-governor Andrew Cuomo.

ANDREW CUOMO WOULD BRING US 4 YEARS OF CHAOS AND CORRUPTION.

- As Governor, Cuomo's policies **jacked up rent** by over 50%. Now he's promising his landlord donors that he'll **raise your rent even more**.

- Cuomo nearly **bankrupted the MTA** with the biggest cuts ever, and used what was left to bail out upstate ski resorts. **He'll wreck the subway again.**
- Cuomo **resigned in disgrace** after sexually harassing 13 women. Now he's using millions in taxpayer money to sue for their gynecological records. How much more will we have to **pay for his scandals**?
